**EXPLANATION OF
HARDSHIP WITHDRAWAL DISTRIBUTION**

A participant may withdraw up to one-half (50%) of his or her Profit Sharing Account Balance to cover expenses incurred as outlined below due to a financial hardship. "Profit Sharing Account Balance" basically means a participant's account balance attributable to contributions and earnings after March 31, 1998. It is determined by taking a participant's total account balance at any time after March 31, 1998, reduced by the account balance as of March 31, 1998. The minimum amount for a Hardship Distribution is \$1,000. A participant may not receive more than \$70,000 in Hardship Distributions during his or her lifetime. The \$70,000 lifetime maximum includes any amounts withheld by the Fund to pay federal, state, or local income taxes and amounts withdrawn to satisfy applicable excise taxes or penalties.

NOTE: Whenever possible, we will issue hardship distributions in a joint check. So if your application is for federal taxes, the check will be to you and the IRS. If your application is for foreclosure by your lender, the check will be to you and your lender. If your application is for tuition, the check will be to you and the school.

A financial hardship must be one of the following events:

A. **MEDICAL EXPENSES** - payment of medical expenses incurred by the participant, spouse or dependent not covered by another party such as an insurance plan, employee health plan or governmental plan. The evidence which must be submitted includes itemized statements for medical services or one or more Explanation of Benefit Forms showing unpaid amounts.

If your Hardship Application is for medical bills, the enclosed Authorization Form to Disclose Protected Health Information must be completed and returned with the Application.

B. **TUITION AND ROOM & BOARD EXPENSES** up to the next 12 months - for the participant, spouse or dependent for attendance at an accredited educational institution beyond high school. The evidence which must be submitted is a bill or receipt from the school which indicates the amount required for tuition and/or room & board.

C. **EXPENSES OF PURCHASING A HOME** (other than mortgage payments) which will be the participant's primary residence. The evidence which must be submitted is a copy of the mortgage commitment and a sales contract signed by both the buyer and seller, including a statement showing deposits made and amounts due at closing.

D. **AVOIDANCE** of a mortgage foreclosure on a primary residence of the participant or avoidance of eviction of the participant from a rental property which is his or her primary residence. The evidence which must be submitted consists of court documents showing the existence of a foreclosure or eviction action against the participant.

Hardship Withdrawals to prevent Eviction are limited to **once in a lifetime.** Hardship Withdrawals for Foreclosure are limited to **twice in a lifetime.**

- E. **FUNERAL EXPENSES** - incurred by the participant due to the death of his or her spouse, a child, brother, sister, parent, or spouse's parent. The evidence which must be submitted is a bill or receipt indicating the amount required for the funeral expenses.
- F. **INCOME TAXES** – permitted once in a lifetime to cover overdue state or federal income taxes and related interest and penalties. The evidence which must be submitted is a past-due bill from the Internal Revenue Service, the State of Connecticut Department of Revenue Services, or the State of Rhode Island Department of Revenue, or the State of New York Department of Revenue.
- G. **MILITARY SERVICE OUTSIDE OF NORTH AMERICA** – withdrawals to cover outstanding debts and anticipated reasonable living expenses for immediate family remaining at home. The evidence which must be submitted is proof of your deployment outside of North America by a branch of the military, along with the anticipated time of your deployment (if known).

FEDERAL INCOME TAX WITHHOLDING - The Plan is required by law to withhold federal income taxes from a hardship distribution at a 10% rate unless you elect otherwise (see the “Federal Income Tax Withholding Election” Form), and, depending upon your age, you may be responsible for the payment of certain excise taxes and/or penalties in connection with such a distribution. See the attached notice entitled: “Special Tax Notice Regarding Plan Payments” for more information. For Federal Income Tax purposes, you should be aware that this Plan is a Defined Contribution Pension Plan and is “Qualified” under the rules of the Internal Revenue Code. You may increase your hardship withdrawal request to include taxes attributable to the distribution.

CONNECTICUT INCOME TAX WITHHOLDING - Effective on and after January 1, 2018 with respect to Connecticut residents, the Plan is required to deduct and withhold applicable state income tax from any distribution you receive (which will be forwarded to Connecticut's Department of Revenue Services). Connecticut has issued an updated Form to implement these rules, specifically Form CT-W4P. If you are NOT a Connecticut resident, this rule does not apply. Please note that a Connecticut resident's failure to return a completed Form CT-W4P along with his or her Application will result in the Fund having to withhold at the highest Connecticut marginal rate of 6.99%, without allowance for any exemptions.

DETERMINATION OF ACCOUNT BALANCES; TIMING OF A HARDSHIP DISTRIBUTION - Profit Sharing Account balances can be determined on a daily basis, reflecting net earnings or losses as of the end of the Plan's prior fiscal year (December 31st) and contributions received after that. The amount of a hardship distribution is based upon a number of factors, including your Profit-Sharing Account balance, the amount of taxes withheld, and the information provided on your hardship distribution request form. Participants who are eligible for a hardship distribution will be paid as soon as administratively possible after your hardship distribution request is approved by the Board of Trustees or their Co-Chairs at their regular meeting and then processed by the Fund Office. Therefore, you should submit all required information to the Fund Office on a timely basis.

SHOULD I CONSIDER A PLAN LOAN? - Loans are available under the terms of the North Atlantic States Carpenters Annuity Plan from your account consisting of employer contributions for the events listed in items A through E, above; however, they are *not* available for the items listed in F or G. Loans provide you with the ability to pay your Annuity Plan account back over a set period of time (normally a maximum of five years) and do not create immediate tax implications, *but there can be adverse tax consequences if you are late in making a loan payment.* We always encourage you to contact a tax advisor when taking any type of distribution or loan from the Annuity Plan, and you should consider your options carefully. Contact the Fund Office if you need further information about loans or a Loan Application packet.

Address		
City or town, state, and ZIP code		

Your withholding rate is determined by the type of payment you will receive.

- For nonperiodic payments, the default withholding rate is 10%. You can choose to have a different rate by entering a rate between 0% and 100% on line 2. Generally, you can't choose less than 10% for payments to be delivered outside the United States and its possessions.
- For an eligible rollover distribution, the default withholding rate is 20%. You can choose a rate greater than 20% by entering the rate on line 2. You may not choose a rate less than 20%.

See page 2 for more information.

General Instructions

Future developments. For the latest information about any future developments related to Form W-4R, such as legislation enacted after it was published, go to www.irs.gov/FormW4R.

Purpose of form. Complete Form W-4R to have payers withhold the correct amount of federal income tax from your nonperiodic payment or eligible rollover distribution from an employer retirement plan, annuity (including a commercial annuity), or individual retirement arrangement (IRA). See page 2 for the rules and options that are available for each type of payment. Don't use Form W-4R for periodic payments (payments made in installments at regular

intervals over a period of more than 1 year) from these plans or arrangements. Instead, use Form W-4P, Withholding Certificate for Periodic Pension or Annuity Payments. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

Caution: If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. Your withholding choice (or an election not to have withholding on a nonperiodic payment) will generally apply to any future payment from the same plan or IRA. Submit a new Form W-4R if you want to change your election.

2022 Marginal Rate Tables

You may use these tables to help you select the appropriate withholding rate for this payment or distribution. Add your income from all sources and use the column that matches your filing status to find the corresponding rate of withholding. See page 2 for more information on how to use this table.

* If married filing separately, use \$336,875 instead for this 37% rate.

General Instructions (continued)

Nonperiodic payments—10% withholding. Your payer must withhold at a default 10% rate from the taxable amount of nonperiodic payments **unless** you enter a different rate on line 2. Distributions from an IRA that are payable on demand are treated as nonperiodic payments. Note that the default rate of withholding may not be appropriate for your tax situation. You may choose to have no federal income tax withheld by entering “-0-” on line 2. See the specific instructions below for more information. Generally, you are not permitted to elect to have federal income tax withheld at a rate of less than 10% (including “-0-”) on any payments to be delivered outside the United States and its possessions.

Note: If you don't give Form W-4R to your payer, you don't provide an SSN, or the IRS notifies the payer that you gave an incorrect SSN, then the payer must withhold 10% of the payment for federal income tax and can't honor requests to have a lower (or no) amount withheld. Generally, for payments that began before 2022, your current withholding election (or your default rate) remains in effect unless you submit a Form W-4R.

Eligible rollover distributions—20% withholding. Distributions you receive from qualified retirement plans (for example, 401(k) plans and section 457(b) plans maintained by a governmental employer) or tax-sheltered annuities that are eligible to be rolled over to an IRA or qualified plan are subject to a 20% default rate of withholding on the taxable amount of the distribution. You can't choose withholding at a rate of less than 20% (including “-0-”). Note that the default rate of withholding may be too low for your tax situation. You may choose to enter a rate higher than 20% on line 2. Don't give Form W-4R to your payer unless you want more than 20% withheld.

Note that the following payments are **not** eligible rollover distributions: (a) qualifying “hardship” distributions, and (b) distributions required by federal law, such as required minimum distributions. See Pub. 505 for details. See also *Nonperiodic payments—10% withholding* above.

Payments to nonresident aliens and foreign estates. Do not use Form W-4R. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

Tax relief for victims of terrorist attacks. If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, enter “-0-” on line 2. See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

Specific Instructions

Line 1b

For an estate, enter the estate's employer identification number (EIN) in the area reserved for “Social security number.”

Line 2

More withholding. If you want more than the default rate withheld from your payment, you may enter a higher rate on line 2.

Less withholding (nonperiodic payments only). If permitted, you may enter a lower rate on line 2 (including “-0-”) if you want less than the 10% default rate withheld from your payment. If you have already paid, or plan to pay, your tax on this payment through other withholding or estimated tax payments, you may want to enter “-0-”.

Suggestion for determining withholding. Consider using the Marginal Rate Tables on page 1 to help you select the appropriate withholding rate for this payment or distribution. The tables are most accurate if the appropriate amount of tax on all other sources of income, deductions, and credits has been paid through other withholding or estimated tax payments. If the appropriate amount of tax on those sources of income has not been paid through other withholding or estimated tax payments, you can pay that tax through withholding on this payment by entering a rate that is greater than the rate in the Marginal Rate Tables.

The marginal tax rate is the rate of tax on each additional dollar of income you receive above a particular amount of income. You can use the table for your filing status as a guide to find a rate of withholding for amounts above the total income level in the table.

To determine the appropriate rate of withholding from the table, do the following. Step 1: Find the rate that corresponds with your total income not including the payment. Step 2: Add your total income and the taxable amount of the payment and find the corresponding rate.

If these two rates are the same, enter that rate on line 2. (See *Example 1* below.)

If the two rates differ, multiply (a) the amount in the lower rate bracket by the rate for that bracket, and (b) the amount in the higher rate bracket by the rate for that bracket. Add these two numbers; this is the expected tax for this payment. To get the rate to have withheld, divide this amount by the taxable amount of the payment. Round up to the next whole number and enter that rate on line 2. (See *Example 2* below.)

If you prefer a simpler approach (but one that may lead to overwithholding), find the rate that corresponds to your total income including the payment and enter that rate on line 2.

Examples. Assume the following facts for *Examples 1* and *2*. Your filing status is single. You expect the taxable amount of your payment to be \$20,000. Appropriate amounts have been withheld for all other sources of income and any deductions or credits.

Example 1. You expect your total income to be \$60,000 without the payment. Step 1: Because your total income without the payment, \$60,000, is greater than \$54,725 but less than \$102,025, the corresponding rate is 22%. Step 2: Because your total income with the payment, \$80,000, is greater than \$54,725 but less than \$102,025, the corresponding rate is 22%. Because these two rates are the same, enter “22” on line 2.

Example 2. You expect your total income to be \$42,500 without the payment. Step 1: Because your total income without the payment, \$42,500, is greater than \$23,225 but less than \$54,725, the corresponding rate is 12%. Step 2: Because your total income with the payment, \$62,500, is greater than \$54,725 but less than \$102,025, the corresponding rate is 22%. The two rates differ. \$12,225 of the \$20,000 payment is in the lower bracket (\$54,725 less your total income of \$42,500 without the payment), and \$7,775 is in the higher bracket (\$20,000 less the \$12,225 that is in the lower bracket). Multiply \$12,225 by 12% to get \$1,467. Multiply \$7,775 by 22% to get \$1,710.50. The sum of these two amounts is \$3,177.50. This is the estimated tax on your payment. This amount corresponds to 15.9% of the \$20,000 payment (\$3,177.50 divided by \$20,000). Rounding up to the next whole number, enter “16” on line 2.

Form CT-W4P Instructions

Payee General Instructions

Form CT-W4P, Withholding Certificate for Pension or Annuity Payments, is for Connecticut resident recipients of pension, annuities and certain other deferred compensation subject to Connecticut income tax. Form CT-W4P provides your payer with the necessary information to withhold the correct amount of Connecticut income tax from your pension or annuity payment to ensure that you will not be underwithheld or overwithheld.

Payers of taxable pension or annuity distributions are required to deduct and withhold income tax from such distributions. Distributions subject to withholding include taxable distributions from the following: an employer pension, and annuity, a profit sharing plan, a stock bonus, a deferred compensation plan, an individual retirement arrangement (IRA), an endowment and a life insurance contract. Taxable distributions are distributions that are subject to federal income tax. Non-taxable distributions (for example, most distributions from Roth 401(k) or Roth IRA accounts) are not subject to withholding. Form CT-W4P is not required for non-taxable distributions.

The method of withholding depends on whether the payment is periodic, nonperiodic, or a distribution of the entire account balance. Connecticut uses the federal definition for periodic and nonperiodic payments.

Periodic Payments: Withholding from periodic pension and annuity payments, such as monthly pension payments, is calculated using the same method that an employer uses to determine the amount to withhold from wages.

Complete Form CT-W4P by selecting a withholding code based on the filing status you expect to report on your Connecticut income tax return and the statement that best describes your annual gross income.

For the purpose of determining your withholding code, your annual **gross income** is your total income from all sources, but you may exclude the following amounts:

- If you receive Social Security benefits, and your filing status is single or married filing separately and your federal adjusted gross income is less than \$75,000 (for single or married filing separately) or \$100,000 (for married filing jointly, qualifying widow(er) or head of household), exclude the amount of your Social Security. If your federal adjusted gross income is above these limits for your filing status, then exclude 75% of your total Social Security benefits.
- If you receive pension and annuity income from a defined benefit plan, a 401(k), 403(b) or a 457 plan and your federal adjusted gross income is less than \$100,000 (for married filing jointly or qualifying widow(er)) or \$75,000 (for all others), exclude 56% of those amounts.
- If you receive payments from the Teachers' Retirement System, exclude 50% of the amounts received. Alternatively, exclude 56% if you qualify for the pension and annuity subtraction described in the bullet above.

Failure to give your payer a properly completed Form CT-W4P will result in 6.99% withholding from your payment(s).

Nonperiodic Payments: Your payer must withhold 6.99% from the taxable amount of nonperiodic payments (see *Distribution of the entire account balance*, on this page) **unless** you complete Form CT-W4P using one of the following options. Distributions from an IRA that are payable on demand are treated as nonperiodic payments. Do **not** use the chart on Page 1. Either enter:

- **Withholding Code "E"** on Line 1 which will result in \$0 withholding; **or**
- **Withholding Code "E"** on Line 1 and a dollar amount on Line 2 for a specific amount to be withheld.

You may not choose any other withholding code.

Form CT-W4P (Rev. 12/21)

Form CT-W4P will remain in effect until you submit a new one. You should complete a new Form CT-W4P if your tax situation changes, such as your filing status changes. You should furnish your payer with a new Form CT-W4P.

Distribution of the entire account balance: The withholding rate for lump sum distribution of the entire account balance is 6.99% without allowance for exemption, unless any portion of the lump sum distribution was previously subject to tax (distributions from Roth 401(k) or Roth IRA accounts), or the lump sum distribution is a trustee-to-trustee transfer, or is a direct roll over in the form of a check made payable to another qualified account. You cannot claim exemption from withholding. Don't give Form CT-W4P to your payer.

Check Your Withholding

You may be underwithheld if any of the following apply:

- You have more than one source of income;
- If your filing status is married filing jointly and you or your spouse, or both, have more than one source of income; **or**
- You have substantial other income such as interest, dividends or capital gains.

If you are underwithheld, you should consider adjusting your withholding or making estimated payments using **Form CT-1040ES, Estimated Connecticut Income Tax Payment Coupon for Individuals**.

If you owe \$1,000 or more in Connecticut income tax over and above what has been withheld from your income for the prior taxable year, you may be subject to interest on the underpayment at the rate of 1% per month or fraction of a month.

To help determine if your withholding is correct, see **Informational Publication 2022(7), Is My Connecticut Withholding Correct?**

Payer Instructions

For any payee who does not complete Form CT-W4P, you are required to withhold at the highest marginal rate of 6.99% without allowance for exemption from any taxable distribution. You are required to keep Form CT-W4P in your files for each payee.

For additional instructions, see **Informational Publication 2022(8), Connecticut Tax Guide for Payers of Nonpayroll Amounts**.

2. That I require a distribution in the amount of \$ _____ (must be at least \$1,000) net of any amounts which must be withheld to pay federal, state, or local income taxes or penalties in connection with the following (check and complete all that are applicable):

_____ payment of medical expenses \$ _____

10. That I have reviewed the loan rules of the Annuity Fund, and I have determined that a loan from my Annuity Fund account (consisting of employer contributions): (a) is not a viable option for me based on my current employment and/or financial situation, and (b) would serve to cause me further financial hardship.
11. That I hereby agree to hold harmless the Board of Trustees of the Fund and its agents from any and all liability, costs and expenses (including attorney fees and court costs) for any claim, demand or legal action that may be brought against any of them.

Further, with respect to income tax and penalty matters and the actual amount of my hardship withdrawal, I acknowledge the following paragraphs 12-13:

12. I have been made fully aware that my entire hardship withdrawal is subject to income tax, it is not an "eligible rollover distribution" under the Internal Revenue Code, and it is not eligible for "rollover" treatment. I have also been made aware that my hardship withdrawal is subject to 10% federal income tax withholding unless I make an affirmative election to have a different percentage or amount withheld. I also understand that: (a) even if I elect to have no federal income tax withheld, I am still liable for federal income tax on my hardship withdrawal, and (b) I may also be subject to tax penalties under the estimated tax payment rules if my payments of estimated tax and withholding are not adequate.

Further, I understand that a 10% excise tax will normally be imposed by the Internal Revenue Service (IRS) if I receive a distribution before age 59-½, *including a hardship withdrawal*. I also understand that I am fully responsible for paying any applicable taxes, excise tax(es) and any other penalty(ies) that may be applied by the IRS in connection with my receipt of a hardship withdrawal from the Fund.

13. If I do not have the Fund increase my federal income tax withholding by the amount estimated to be necessary to satisfy any applicable excise tax or penalty, I understand that I am responsible for reporting and paying any excise taxes or other penalties (including those that must be reported on IRS Form 5329) that may be associated with my hardship distribution.

This application must be signed and notarized at least 7 days and not more than 180 days prior to distribution. By signing this application, I confirm to the Fund that all information provided herein is true and correct.
